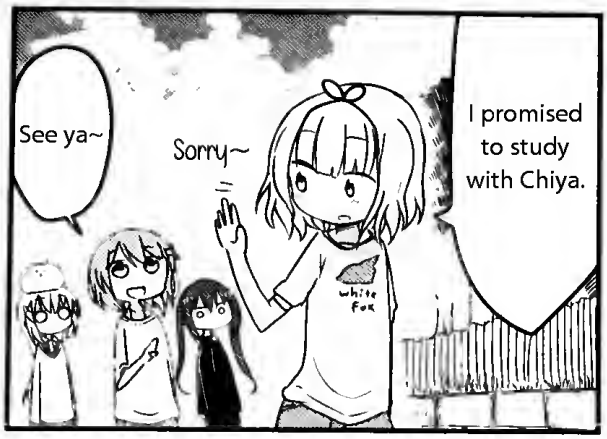
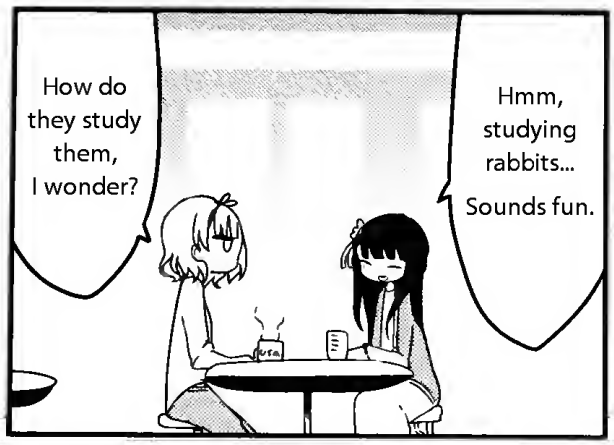
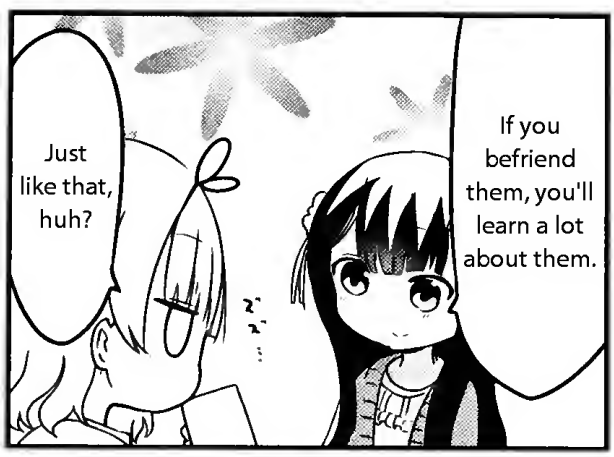
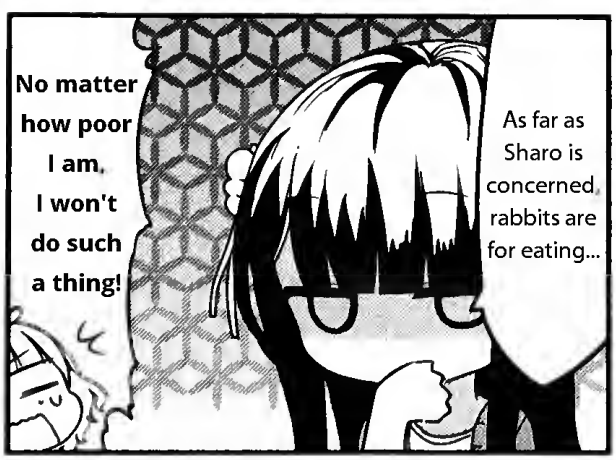
Is your feast a rabbit?



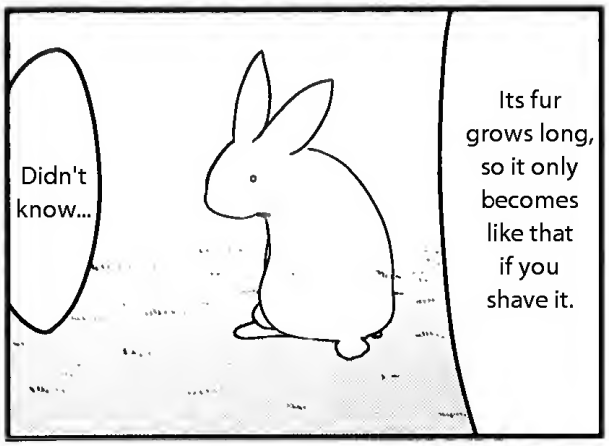






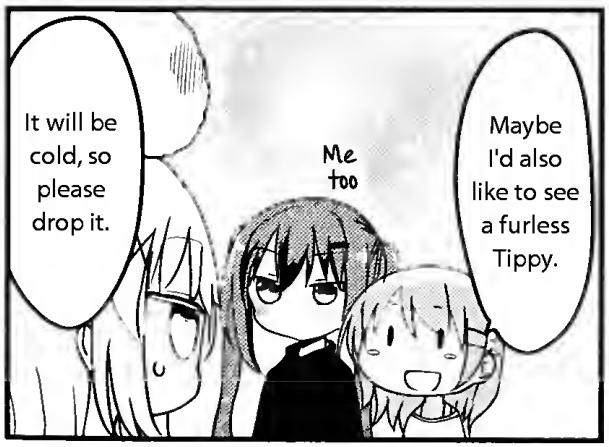
In the name of science

GA1-009-03
S/T - P106

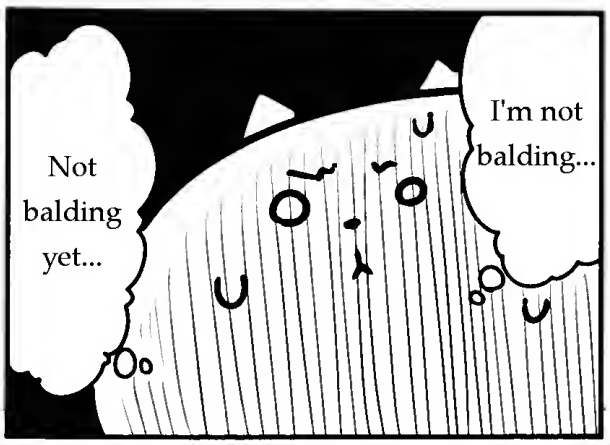


Didn't know...
Its fur grows long, so it only becomes like that if you shave it.

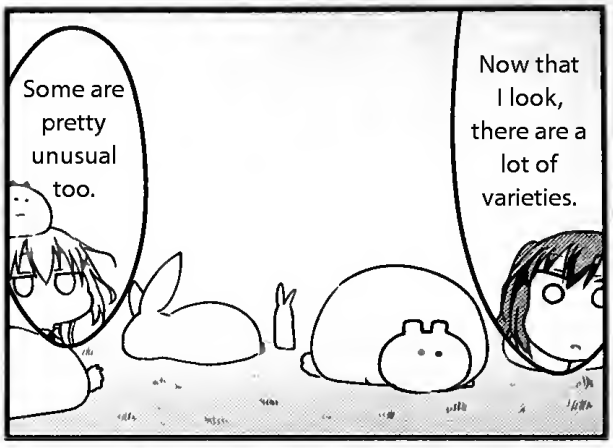
Eh, it would feel as if there's no fur.
Well, what if Tippy was also shaved...



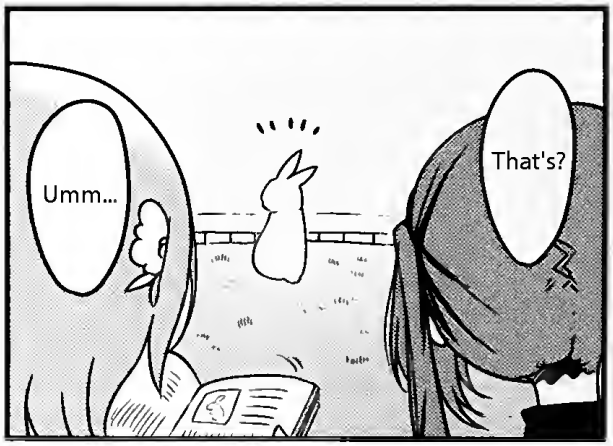
It will be cold, so please drop it.
Me too
Maybe I'd also like to see a furless Tippy.



Not balding yet...
I'm not balding...

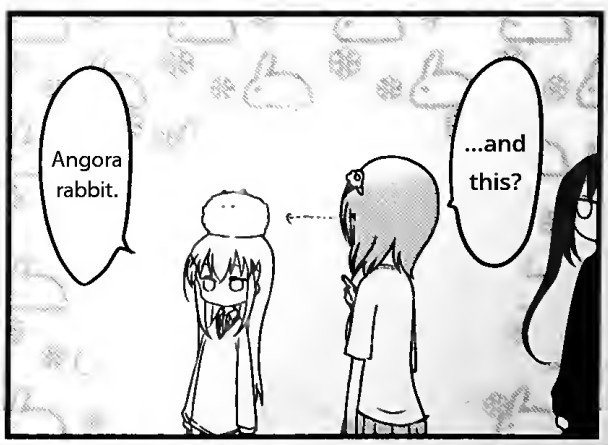


Some are pretty unusual too.
Now that I look, there are a lot of varieties.



Umm...
That's?

That's angora rabbit.



Angora rabbit.
...and this?
